WHY DO WE BELIEVE SHARP LEVEL II CFA PREP COURSE IN NEW YORK IS THE BEST?

For the Sharp Level II CFA Prep Course, Level II CFA candidates normally come from New York, New Jersey, Connecticut, and Pennsylvania. Some have a round-trip commute of more than four hours for each class. Why is attending the Sharp Level II CFA Course so important for these students? Ask our students (or see student comments, or consider the twelve reasons indicated below and on the next page). Most of our Sharp Level II CFA students have continued from our Sharp Level I CFA Prep Course. They show their enthusiasm for our courses by going on to take our Sharp Level II CFA Prep Course. However, the Level II CFA candidates who typically praise our Sharp Level II CFA Prep Course the most, have previously attended another CFA prep course and say that our course is much better.

The June 15, 2019 Level II CFA Exam is still six months away, but you should start early to prepare for this difficult Exam. We have Sharp Level II 2019 CFA Prep Course sections that start in January. If you register early, you can receive some SharpNotes® early and get a head start.

We believe the more you know about Level II CFA prep courses, the greater the likelihood that you will attend the Sharp Level II CFA Prep Course. Twelve important reasons for the high praise of the Sharp Level II CFA Prep Course are indicated below and on the next page:

1. PASS OR MONEY BACK (if following terms and conditions satisfied)

Level II CFA Candidate who takes the 15-Class Session Sharp CFA Comprehensive Lecture/Workshop for the June 2019 Level II CFA Exam and still fails the June 2019 Level II CFA Exam, will receive a refund (refund will be paid to employer if employer pays directly and/or there is a request for receipt) of the amount paid for this 15-Class Session Lecture/Workshop (minus a \$400 charge for materials provided) if the following terms and conditions are met: (1) Attend entire class for all 15 Class Sessions; (2) Turn in each of the 14 Weekly Take-Home Quizzes the following class, and achieve an average score of 75% or more; (3) Take the In-Class Practice Exam at the scheduled time, and achieve a score of 75% or more; and (4) Take the June 2019 Level II CFA Exam and fail (and provide copy of results to SHARP SEMINARS within 4 weeks after results provided to Level II candidates by CFA Institute). PASS OR MONEY BACK Provision may not be used more than once.

2. SMALL CLASS SIZE

SHARP SEMINARS limits Level II course enrollments to 20 students in a section. This small class size allows greater interaction with the instructor.

3. PROVIDE DISCIPLINE AND MOTIVATION FOR CFA® LEVEL II CANDIDATES

Your competition at CFA Level II is much stronger than at CFA Level I, since most CFA candidates who enroll at CFA Level I do not pass! Also, Level II CFA Exam is difficult. Level II 2018 CFA pass rate was only 45% (for those who actually took the Exam). But, typically more than 25% give up and do not even take the Level II CFA Exam (and are not included in determination of pass/fail rate reported by CFA Institute). We believe our Sharp Level II CFA Course (with weekly take home quizzes) is an important aid in providing discipline for Level II CFA candidates, and motivation for them to follow through with their exam preparation and actually take the Level II CFA Exam. Clearly, a number of factors affect the success of a Level II CFA candidate on the Level II CFA Exam, and their satisfaction with a Level II CFA Exam Preparation Course. However, in recent years, the candidate reported level of satisfaction for those who took the Sharp Level II CFA Comprehensive Lecture/Workshop has been high (based on responses to questionnaire).

4. MORE THAN 30 YEARS OF CFA® EXAM PREPARATION EXPERIENCE

Dr. Sharp is the instructor for all Sharp Level II CFA class sessions. He is a CFA charterholder (also CIPM, CMA, and CFM) who now devotes more than full time efforts to SHARP SEMINARS In NY. Dr. Sharp was a Professor Of Finance & Assistant Finance Chairman and taught very popular MBA courses in Financial Statement Analysis, Investment Analysis, and Portfolio Management. He also previously taught courses in Financial Accounting (basic, intermediate, and advanced), Economics (graduate level), and Quantitative Analysis (undergraduate and graduate) at Rutgers, NYU Stern School, and Pace Lubin School. He understands all of the Level II CFA topics, their interrelationships, and how they need to be integrated for Level II CFA Exam questions. Dr. Sharp has taught CFA courses in New York longer than anyone else (more than thirty years with SHARP SEMINARS In NY). Dr. Sharp has published many articles and spoken at many conferences. He has been inducted into MENSA. He is in Who's Who in America, Who's Who in Finance, and Who's Who in American Education, and has received a Lifetime Achievement Award from Who's Who in America. He has received several CFAI Certificates of Achievement for participation in the CFA Continuing Education Program. In his spare time, Dr. Sharp manages multi-million dollar stock portfolios. He also manages the Professor J. Franklin Sharp Charitable Foundation. Dr. Sharp has been honored by the University of Illinois as a DISTINGUISHED ALUMNUS, and by Purdue University as an OUTSTANDING ALUMNUS. His home-town high school in Illinois has named part of the high school gymnasium after him.

5. SHARP TEN LEVEL II 2019 CFA® SHARPNOTES®

WILL BE UPDATED FOR 2019.

Ten Level II 2019 CFA SharpNotes® [(1) Level II CFA Quant, (2) Level II CFA Econ, (3) Level II CFA Accounting, (4) Level II CFA Corporate Finance, (5) Level II CFA Equity, (6) Level II CFA Fixed Income, (7) Level II CFA Portfolio, (8) Level II CFA Derivatives, (9) Level II CFA Ethics, and (10) Level II CFA Alternative Investments] will allow Level II CFA topics to be efficiently and effectively covered in class. Review of new Level II CFA curriculum assignments (with new Learning Outcome Statement objectives) will be included. New Problems and Exercises based on the new assignments will also be included. Ask previous students about the value of the Level II CFA SharpNotes in preparing for the Level II CFA Exam. After taking our Sharp Level II CFA Comprehensive Lecture/Workshop, most of our successful Level II CFA students say they use the SharpNotes extensively in their final preparation for Level II CFA Exam (along with our SHARP SEMINARS Weekly Take-Home Quizzes® and Sharp Sample Questions®). These SharpNotes will be provided (at NO EXTRA COST) to candidates in our Sharp Level II CFA 2019 Comprehensive Lecture/Workshop.

6. SHARP LEVEL II 2019 CFA® SELF-TESTING EXERCISES®

WILL BE UPDATED FOR 2019.

These Exercises will allow additional reinforcement of Level II CFA topics outside of class. There will be about 3,000 CFA oriented self-testing multiple choice exercises (with answers), designed to cover important Level II CFA topics. The Exercises will be included in the Level II CFA 2019 SharpNotes® (at NO EXTRA COST). Exercises are updated each year to include new questions based on the new Level II CFA curriculum assignments (with new Learning Outcome Statement objectives — a lot of new Level II CFA material every year). We strongly recommend that you thoroughly work the Exercises.

7. SHARP LEVEL II 2019 CFA® TAKE-HOME QUIZZES®

WILL BE UPDATED FOR 2019.

Dr. Sharp will develop Weekly Take-Home Quizzes® for the Sharp Level II 2019 CFA Comprehensive Lecture/Workshop. Each Weekly Take-Home Quiz® will cover important topics from that week. Having weekly quizzes to turn in helps to keep students from putting off CFA study and falling behind. Having a thorough understanding of the topics on these Weekly Take-Home Quizzes® likely is crucial for success on the Level II CFA Exam.

8. SHARP LEVEL II 2019 CFA® SAMPLE QUESTIONS®

WILL BE UPDATED FOR 2019.

Dr. Sharp will develop about 1,500 Level II 2019 CFA Sample Questions that will be in our SHARP Level II 2019 CFA® Sample Questions® workbook. This workbook will have one or more Sample Questions covering each of the more than 600 CFA Institute Level II 2019 CFA Learning Outcome Statements. These questions summarize what you are assigned for your Level II CFA Exam. Answers and worked-out solutions will be provided for all questions. This workbook can provide an excellent final review for the Level II CFA Exam. This workbook will be provided (at NO EXTRA COST) to candidates in our Sharp Last-Six-Weeks Level II 2019 CFA Sample Questions Review. Appropriate portions provided for each class.

9. SHARP LEVEL II 2019 CFA® IN-CLASS PRACTICE EXAM®

WILL BE UPDATED FOR 2019.

Dr. Sharp will develop a three-hour in-class (not take-home) SHARP LEVEL II 2019 CFA Practice Exam®. This in-class Practice Exam will have 72 questions and cover all Level II CFA curriculum topic areas. Working through this in-class Practice Exam can indicate areas where additional final study is needed. In previous years, candidates who did well on our in-class Level II CFA Practice Exam generally passed the actual Level II CFA Exam, while candidates who did poorly generally failed the actual Exam. Candidates in our Sharp Level II CFA Comprehensive Workshop and/or our Sharp Last-Six-Weeks Level II CFA Sample Questions Review can take this in-class Practice Exam (at NO EXTRA COST).

10. HANDS-ON CLASSES – USE HP-12C OR TI-BAIL PLUS FINANCIAL CALCULATOR

Workshop portions of each class provide immediate reinforcement of important concepts by working relevant Problems. HP-12C or TI-BAIL Plus financial calculator is required. We believe the HP-12C is easier to use for some difficult CFA topics (using special simple procedures developed by SHARP SEMINARS In NY). However, if you currently use the TI-BAIL Plus, and like it, go ahead and use it in our classes and for your exam. There will be HP-12C and TI-BAIL Plus procedures indicated at appropriate points in the SharpNotes, including capital budgeting and bond calculations.

11. CONVENIENT COURSE LOCATION IN MIDTOWN MANHATTAN (NEAR GRAND CENTRAL)

Roger Smith Hotel is at 501 Lexington Avenue (at 47th Street). Go to Grand Central Lexington Avenue exit, and walk three short blocks north to Roger Smith Hotel. Class on Mezzanine Floor in Winthrop Room. SHARP SEMINARS In NY assistant inside for check-in.

Course 2. SHARP LEVEL II 2019 CFA COMPREHENSIVE LECTURE/WORKSHOP

This popular 15-class session (plus in-class Practice Exam) Sharp Level II 2019 CFA Comprehensive Lecture/Workshop with PASS Or MONEY BACK Provision# (see terms and conditions on page 1) is designed to provide an excellent review of all the topics assigned for the Level II CFA Exam. Dr. Sharp is the instructor. He has examined and synthesized the vast amount of Level II CFA curriculum material, and provides a review of the essential concepts in a compact and understandable way. Each of the 15 class sessions is extremely well organized from beginning to end (the full period is normally utilized), so that the time you spend in class can be highly productive. Questions that you have can normally be covered before or after class, or during the workshop portions of each class, or outside of class using E-mail assistance.

Dr. Sharp has written, and will extensively update, ten Level II 2019 CFA SharpNotes® [(1) Level II CFA Quant, (2) Level II CFA Econ, (3) Level II CFA Accounting, (4) Level II CFA Corporate Finance, (5) Level II CFA Equity, (6) Level II CFA Fixed Income, (7) Level II CFA Portfolio, (8) Level II CFA Derivatives, (9) Level II CFA Ethics, and (10) Level II CFA Alternative Investments], that will be provided (at NO EXTRA COST) for those in this Comprehensive Lecture/Workshop (at appropriate times during the course), and will be utilized during the lecture/workshop classes. If you enroll early (more than two weeks in advance), some of these SharpNotes® can be provided to you early, so you can get a head start. Dr. Sharp's ten Level II 2019 CFA SharpNotes contain a summary outline (extensively improved and updated each year) of important Level II CFA curriculum topics (that cover the Level II CFA Learning Outcome Statement objectives). These ten Level II 2019 CFA SharpNotes allow a tremendous amount of Level II CFA material on quant, economics, accounting, corporate finance, equity, fixed income, portfolio analysis, derivatives, ethics, and alternative investments to be efficiently and effectively covered in the classes. A very important function is to serve as in-class workbooks. Students will work out several Level II CFA type problems during each class (except Ethics). New problems based on the new Level II CFA curriculum assignments are included. HP-12C or TI-BALL Plus financial calculator is required.

Despite the excellence of this Sharp Level II 2019 CFA Comprehensive Lecture/Workshop, success on the Level II CFA Exam will usually require considerable additional work outside of class, in addition to considerable work in class. After a topic has been covered in a lecture/workshop session, the important Level II CFA concepts should be further reinforced by review of the relevant Level II CFA curriculum topics and by working relevant exercises outside of class, and by answering the corresponding Take-Home Quiz questions. Dr. Sharp has prepared about 3,000 CFA oriented self-testing multiple choice exercises (with answers) that are designed to cover important Level II CFA curriculum topics. Exercises and Quizzes are updated each year with new questions, based on the new Level II CFA curriculum assignments. The exercises are included in Dr. Sharp's ten Level II 2019 CFA SharpNotes (at NO EXTRA COST).

There are three sections of this popular Sharp Level II 2019 CFA Comprehensive Lecture/Workshop (*early-start recommended*).

Rigor Of CFA Program

In general, each level of the CFA Program requires a minimum of 300 hours of preparation, although time will vary from candidate to candidate based on familiarity with the material.

Learning outcome statements are meant only as a guide to the most important knowledge, skills and abilities to be gained in the readings. CFA Program reading assignments compose the core of study. Prep Provider courses and materials are developed to complement the core curriculum and to facilitate the learning process, not to be used as a substitute for study of the prescribed curriculum.

For candidates in the Sharp Level II 2019 CFA Prep Course, a questionnaire will be sent to you shortly after the Exam results are provided.

I realize there is an extra charge of \$10 for anyone who does not register (including payment) prior to the first class. You want to check-in people as efficiently as possible, which is much easier if some administrative details can be taken care of in advance.

I also realize there is a full refund (less a \$50 processing charge and less the price of any SharpNotes® provided early) if written request received by you at least two weeks prior to start of my course, but no full refund after that unless application rejected. If written request received at least two weeks prior to the start of second part in a combination, a partial incremental refund (less a \$50 processing charge) will normally be provided for that part, but depends on the circumstances and is at the discretion of SHARP SEMINARS In NY. I realize that any refund will be paid to my employer if they paid you directly, and/or if I request a receipt for payment.

For each part I am taking, I have indicated the desired section above. I understand that in addition to the scheduled classes, the fee will entitle me to the revised and updated copies of Dr. Sharp's ten Level II 2019 CFA SharpNotes®, SHARP Level II 2019 CFA Weekly Take-Home Quizzes®, and/or SHARP Level II 2019 CFA Sample Questions® that are appropriate for the part(s) I am taking. I agree that it is important to allocate sufficient time and make a conscientious effort, both in class and outside of class.

I also understand that if unfortunately I do not pass the Level II 2019 CFA Exam, despite taking the Sharp Level II 2019 CFA Prep Course (and do not withdraw), I can deduct 40% to 50% from the price of the Sharp Level II 2020 CFA Prep Course (40% discount for one part, or 50% discount for both parts).
