DR. SHARP'S LEVEL III 2019 SELF-TESTING CFA® EXERCISES®

Updated for 2019.

These Exercises will allow additional reinforcement of Level III 2019 CFA topics outside of class. There will be about 3,000 Level III oriented self-testing multiple choice exercises (with answers), designed to cover important Level III topics. The Exercises will be included in the Level III 2019 CFA SharpNotes®. Exercises are updated each year to include new questions based on the new Level III assignments (with new Learning Outcome Statement objectives—a lot of new Level III material every year). “Essay” type questions are provided in a multiple choice format, that permits self-testing. We strongly recommend that you thoroughly work through the Exercises.

Rigor Of CFA Program

In general, each level of the CFA Program requires a minimum of 300 hours of preparation, although time will vary from candidate to candidate based on familiarity with the material.

Learning outcome statements are meant only as a guide to the most important knowledge, skills and abilities to be gained in the readings.

CFA Program reading assignments compose the core of study. Prep Provider courses and materials are developed to complement the core curriculum and to facilitate the learning process, not to be used as a substitute for study of the prescribed curriculum.

SHARP SEMINARS follows CFA Institute Prep Providers Guidelines.
