Each year, thousands of hours and tens of thousands of dollars go into revisions, updates, extensions, and other improvements to the SharpNotes. New Level III CFA assignments are included. New Problems and Exercises based on the new assignments (with new Learning Outcome Statement objectives) and the most recent CFA Level III Exam are also included.

Ask previous students about the value of these Level III CFA SharpNotes in preparing for the Level III CFA exam. After taking our Sharp Level III CFA Course, many of our successful Level III CFA students say they have used the SharpNotes® extensively in their final preparation for the Level III CFA exam (along with our SHARP SEMINARS Weekly Take-Home Quizzes® and SHARP SEMINARS Sample Questions®). These SharpNotes® will be provided (at no extra cost) to candidates in our Sharp Level III 2018 CFA Comprehensive Lecture/Workshop.

DR. SHARP'S LEVEL III 2018 SELF-TESTING CFA® EXERCISES®

Updated for 2018.

These Exercises will allow additional reinforcement of Level III 2018 CFA topics outside of class. There will be about 2,500 Level III oriented self-testing multiple choice exercises (with answers), designed to cover important Level III CFA topics. The Exercises will be included in the Level III 2018 CFA SharpNotes®. Exercises are updated each year to include new questions based on the new Level III CFA assignments (with new Learning Outcome Statement objectives—a lot of new Level III CFA material every year). “Essay” type questions are provided in a multiple choice format, that permits self-testing. We strongly recommend that you thoroughly work through the Exercises.

Rigor Of CFA Program

In general, each level of the CFA Program requires a minimum of 300 hours of preparation, although time will vary from candidate to candidate based on familiarity with the material.

Learning outcome statements are meant only as a guide to the most important knowledge, skills and abilities to be gained in the readings.

CFA Program reading assignments compose the core of study. Prep Provider courses and materials are developed to complement the core curriculum and to facilitate the learning process, not to be used as a substitute for study of the prescribed curriculum.

SHARP SEMINARS follows CFA Institute Prep Providers Guidelines.
